Comment: This is a gross over development with the design and size far from keeping with the local area. There are no 5 storey buildings in Hampton Hill, and approval would set a new precedent for developers.

Windmill Road, as the council are fully aware, has been affected by the road closures enforced on Burtons Road. The addition of so many homes- most with cars- will only make the congestion worse.

I urge the council to continue to resist giving planning permission to this scheme
