Comments

Type of comment: Object to the proposal

Comment: I live on Myrtle Road, which is near the proposed development. I object to the demolition of the current structure and development of a new, hi-rise structure for the following reasons:

- Traffic – Our roads are already congested, especially during school terms, which creates pollution problems. Adding a mixed-use building in this area will further exacerbate the traffic and pollution problems.
- Height – The proposed number of stories for this development is completely out of character with the surrounding area. The proposed building will overshadow the houses in the surrounding area and will be an eyesore to the rest of the neighbourhood.

I appreciate the vendor wanting to add some housing to the area, but it needs to match the aesthetic of the neighbourhood; not contrast it. Therefore, I strongly object to the proposal in its current form.
