### Comments

**Type of comment:** Object to the proposal

**Comment:** I object to this proposal. I have lived in Hampton Hill for 13 years now and what attracted me to the area was its tranquility and its village like feel. There have been changes over the years but overall I still love where I live. This is a huge development and detrimental to the area. There will be too many cars on the road, noise and air pollution, parents will be struggling to get their children into local schools as the demand will go up!! Just to mention a few! This is a terrible proposal.
