Type of comment: Object to the proposal

Comment: I wish to make an objection to the above proposal for several reasons :

- The development is five storeys, totally out of scale and all proportion to surrounding area.
- Parking in the area already difficult. Parking for High Street/ school , needed to sustain thriving local community. Extra parking cannot be accommodated.
- Traffic will affect safety of residents and school.
- Local amenities will be unduly stretched at a time of a cost of living crisis, together with pressure on utilities.
- Added noise and disruption will adversely change the small village attraction of Hampton hill today
- Parking and commercial use issues not adequately addressed from previous application.
