Comments

Type of comment: Object to the proposal

Comment: This development is completely out of proportion for the village that exists in Hampton Hill.

The number and height of the flats is completely inappropriate. It is not in keeping with the surrounding area, and will drastically change the feel in the local environment.

Our house will be overlooked by the 5 story flats, which is an invasion of our privacy.

The roads are already heavily congested particularly with the Burtons Road closure. Windmill Road and Hampton Hill high street have become impossible to navigate at peak times of day, and this development will add substantially to the existing problems.

There is insufficient parking in the area and this development will compound the issue.

The local services like nurse, school and doctors are already stretched and have not got existing capacity to accommodate what could be a few hundred more residents!

The scheme is non-compliant with local planning policies LP1, LP2, and LP39
