Type of comment: Object to the proposal

Comment: Though we acknowledge there is a need for more affordable housing in our borough, I object to this particular development. The building is far too tall and big with many floors and will lead to great congestion in an area which is full of narrow streets. There will be far too many cars and not enough parking spaces, which will lead to cars being parked on our already narrow, cramped street. Our beautiful Hampton Hill will also lose its charm and "village" like feel.
