Comments

Type of comment: Object to the proposal

Comment: The proposal of 3-5 storey buildings is totally out of keeping with the immediate area. 3 storeys would be sufficient to not encroach on the surrounding residents. The number of proposed car parking spaces is inadequate for both number of residents and commercial use and would add additional pressure on surrounding roads that are already struggling. There is already a surplus of commercial space in the area, so is more needed that will be left empty.
