### Comments

**Type of comment:** Object to the proposal

**Comment:** This proposed development is totally out of keeping the the existing development of the area. Proposed buildings will dominate the skyline. Well above existing properties.

Access to and from the development is not suitable for the number of dwellings proposed as Windmill Road is congested at the best of times particularly at the Eastbank and High Street Junctions.

On the other side of the development, Holly Road is already all but impassable in busy times.

Totally unsuitable.
