Comment: The proposed 5 storey building is overbearing and unneighbourly. The windows and balconies will directly overlook all of the living space in our house and be just 20 metres from our back door.

Our privacy will be invaded and the impact on light is a major concern.

The building is right on the edge of a conservation area and its height goes against anything else found locally.

It is not in keeping with the surrounding area in terms of look and feel and does not integrate into the local environment.
