Comment: Hampton Hill does not need the St Clare Business Park And7 - 11 Windmill RoadHampton Hill development as proposed. The planning committee have not taken into account the height, mass, density and difference in local character in their consideration, This proposed development will damage the already over stretched infrastructure of the surrounding narrow roads and local people living in the area. The Chair of the planning committee and ward councillor for Fulwell & Hampton Hill will be aware of the issues already prevalent on Windmill Road as a result of the decision to implement the Burtons Road Scheme 7am-7pm a trial which is ongoing and the further impacts of which remain unknown. Likewise the outcome of a consultation in respect of Windmill Road is yet to be published.
