### Comments

**Type of comment:** Make a general observation

**Comment:** I would like to observe that the notice for this application seems to have been cleverly put through at a time when most people are taking their summer holidays and not thinking about a development that had previously been refused. I would also like to mention that although the letter from the council was dated the 8th August, I personally didn't get mine until the 13th August and some neighbours even later. This only gives neighbours who would like to comment a small window of opportunity and not 21 days. In light of this, I think the Planners should extend the time for comments.
