Comment: This imposing apartment block will overlook our property and surrounding homes in the area; this will lead to a loss of privacy and will certainly impact on the peaceful enjoyment of homes and gardens.

A 5 storey block will be visually overbearing. It is an inappropriate design for this part of Hampton Hill where it does not fit in with the majority of Victorian terraced cottages in surrounding roads such as Holly Road and Wolsey Road. In the Hampton Hill Village planning guidance it states that 'Holly Road...has a number of high quality examples of cohesive terraces which have maintained their original features and character.' The proposed 5 storey apartment block would be totally out of keeping with the neighbouring properties including Hampton Hill's village-feel high street.

Holly Road and Windmill Road are already busy and congested; the additional concentration of traffic and roadside parking resulting from an additional 112 dwellings will only intensify this existing problem and increase pollution levels.
