Comment: Sir,

Such care was taken when the local plan for Hampton Hill was developed. Residents and councillors worked together. The Victorian/ Edwardian design of many houses was noted and Hampton Hill was designated a Village with some buildings of particular interest.

The monstrosity which is much of the St Clare's proposed development does not fit with the village plan and will devastate the lives of so many residents.

Please refuse to accept the new plan and consider the reality of future life in Hampton Hill if it the plan was to be passed. Even more oversubscribed doctors, dentists and schools; Terrible parking problems (already bad ,thanks to the Burtons Road restrictions); the difficulty for disabled people to access anywhere in the high street;

This is a greedy development by the applicant, (and possibly the council) which needs a complete re think.

Eg: no building higher than 3 floors, some commercial space but also containing a doctor/ dentist / nursery/ daycare, more parking. More affordable housing.

This sort of scenario would be less lucrative for both the applicant and the council but would sit much more comfortably within our lovely Village.
