Comments

Type of comment: Object to the proposal

Comment: The proposed development is out of character for Hampton Hill on the basis of height and is not appropriate for Hampton Hill village and it's character assets.

- The proposal will not make a positive contribution to Hampton Hill village and does not preserve the area's heritage assets
 - The taller buildings proposed are over double the height of neighbouring buildings.
 - It does not respect the local character in scale, height, mass, urban pattern, development grain, streetscape.
- The proposed development does not reflect local context. The huge impact on local residents is wholly unacceptable.
