Type of comment: Object to the proposal

Comment: Though I think this space should be used I do feel that this development is too big for the location. A five storey building will overlook my garden and our bedroom windows. It will also be out of place in the middle of the local housing.

I am also concerned about traffic, car parking and access. Nearly 100 new homes with just the entrances available will cause problems as inevitably there will be many more cars coming in and out of the road, and causing more traffic at peak times. There is already not enough parking in Holly Road for the residents, and the development will only add to this.
