Type of comment: Object to the proposal

Comment: As a resident of Holly Road for over 10 years I whole heartedly object to this build. There has been a unanimous refusal to this project since it was first submitted, from Holly Road and the local community. There is not a single person apart from the developers who want this build to happen so if the council decide to approve this they will be going against the wishes of all their local residents. I hope you listen and pay attention to all of our comments and make the right decision and refuse this application.
