

Playing Field and Sport Facilities Assessment

Introduction

1. On behalf of our client, Reselton Properties Limited, we are submitting an application for planning permission in respect of land at the former Stag Brewery site in Mortlake ('the Site') which is within the London Borough of Richmond Upon Thames ('LBRuT'). Specifically, planning permission is sought for the following:

"Temporary use of the existing buildings and land including erection of temporary external film sets for a period of 5 years for film production operations and ancillary activities."

2. This Playing and Sport Facilities Assessment has been prepared by Gerald Eve LLP.
3. LBRuT's Validation Checklist (April 2021) requires a Playing Fields and Sports Facilities Assessment for all major development. The application proposes the temporary use of existing buildings for film production operations and ancillary activities. No works are proposed to the existing buildings and no permanent construction works are proposed. The application does however propose the installation of external temporary film sets within a designated set area around the Maltings Building.

Play and Child Occupancy Assessment

4. This application does not propose any alterations to the existing designated open space and playing fields. In addition, the proposals would not generate the need for additional new facilities.
