

DETAIL A

The Extension and Link Structure will have minimal fixing to the existing building fabric.

See detailed structural drawings opposite showing how the new extension will physically connect to the new extension/linked corridor.

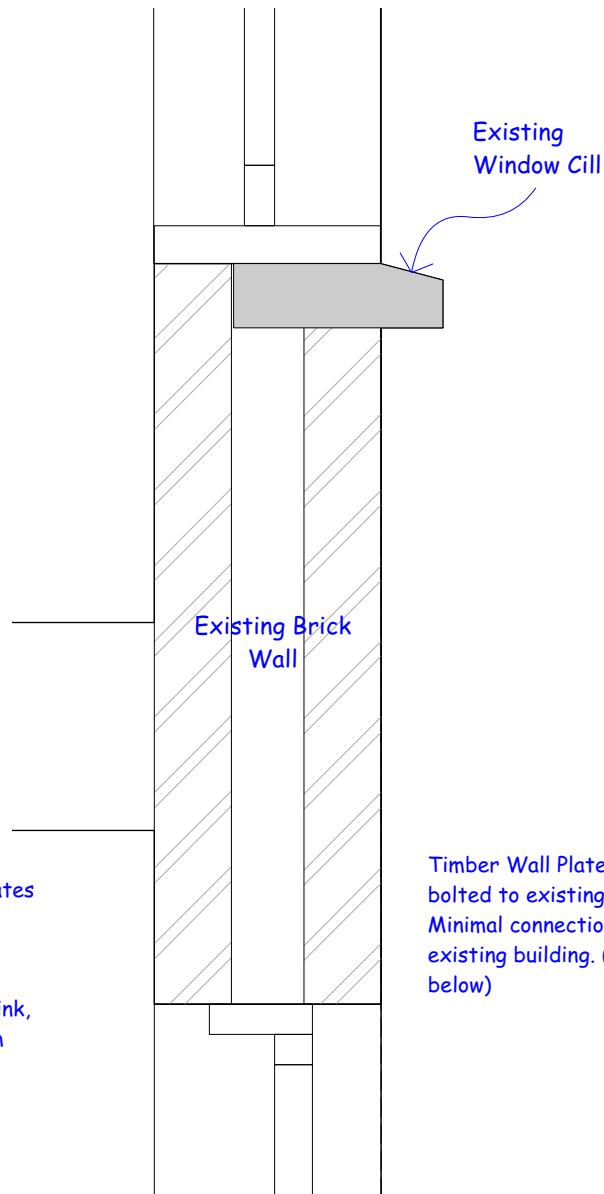

1st Floor Key Plan

Red Dotted Line indicates removal of non-original rear extension

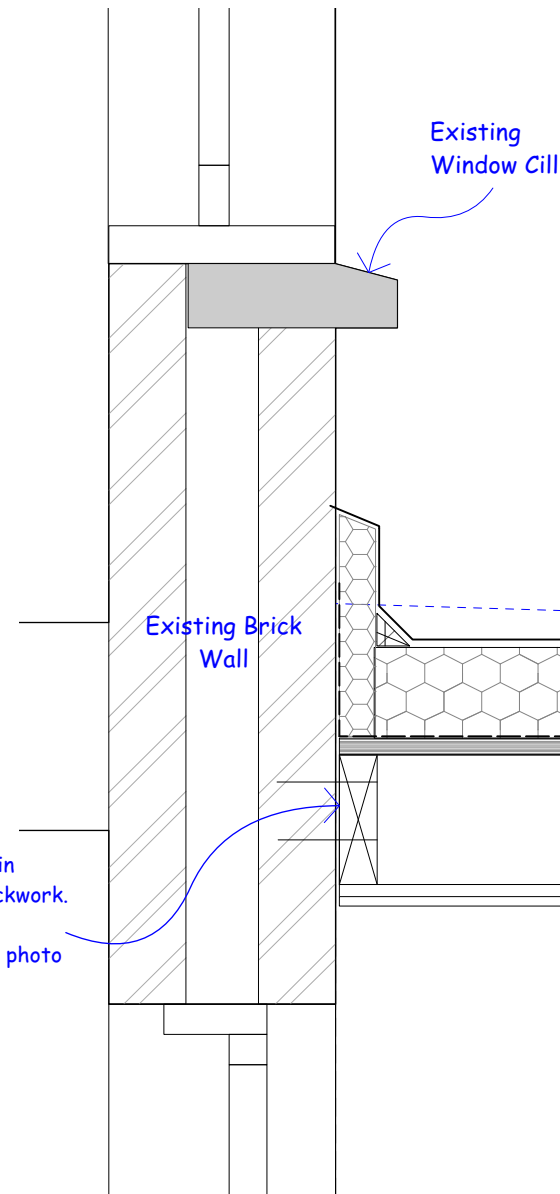

Blue dotted line indicates footprint of original application. Revised Proposal creates open courtyard with glass link, separating house from extension

Existing Window Cill

Existing Brick Wall

Timber Wall Plate resin bolted to existing blockwork. Minimal connection to existing building. (See photo below)

Existing Window Cill

Existing Brick Wall

Existing Extension and pipework removed.

Timber Wall Plate resin bolted to existing blockwork. Minimal connection to existing building.

Existing Slate Roof Construction
New flat roof upstand weathered underneath existing roof tiles.
