

PROPOSED Ground Floor Plan - PART 1

GENERAL NOTES

1. Dimensions should not be scaled from the drawings where accuracy is essential.
2. Details dimensions and levels to be checked on site by builder prior to commencement of works. Any works commenced prior to all necessary local authority approvals are entirely at the risk of the owner & builder.
3. Structural details are subject to exposure of existing construction and verification by L.A Surveyor and any necessary revised details are to be agreed with the L.A Surveyor prior to carrying out the affected works.
