4. CONSULTATIONS CARRIED OUT

This type of application is not required to be publicised. As such, no letters were received by the property's neighbours.

Condition U0133845 states:

Prior to the commencement of development pertaining to the hereby approved lift, an Engineering Report detailing the implementation works required shall be submitted to and approved by the Local Planning Authority. Such detail shall include engineering works required for where the approved lift would be taken through the floor structure. The works shall be carried out in accordance with the approved details and retained as such thereafter.

REASON: To ensure that the proposed development is structurally sound, in keeping with the existing building(s) and does not prejudice the appearance of the locality.

Professional Comments:

The Council's Urban Design Team were contacted to comment on the case and left the following comments which have been summarised below:

- No objection to details of enlarged jib door opening to billiard room.

- No objection to details of proposed porch.
- No objection to lift details.
- No objection to fence and planter details and proposed signage.
- No objection to door details.

Recommend approval.

Officer Notes

Upon full assessment of the submitted material supporting the application, taking into account all material considerations, it is considered the requirements of the conditions have been met. It should be noted condition U0133845 (Lift engineering report) is acceptable in heritage terms and is subject to separate building control requirements.

Conclusion:

Full discharge of condition.
