Comment: Thames Young Mariners is a fantastic resource for young people and I fully support the proposed development as the new residential accommodation will make this centre useable all year round. It will also offer so many young people and their families the opportunity to get outside and increase their physical activity and improve their emotional well-being and confidence. This much loved outdoor learning centre has been enjoyed by generations and the modernising of the site, will only increase the amount of children, families and vulnerable groups that can experience this for themselves.
