Comment: I think this would be a great proposal and have always thought the site needs a refresh / could be made more use of. However we currently really love the forest school you run so please can we ask that the forest school area in any proposal is kept as it is such a lovely little site and perfect for little kids learning about the outdoors. Always wondered if the site would be suitable for a cafe maybe near the entrance by the lake perhaps, or some sort of access via the tow path, available for public use outside of the hours when kids are there as it would probably be really popular for locals / dog walkers / people walking along the tow path etc.
