**Comment:** Thames Young Mariners provides fantastic outdoor opportunities for local young people. My children have attended holiday camps for a number of years and enjoyed time outside, learnt new skills and made friends with other local children.

It is clear however that the facilities on site are dated and some are in need of repair. An assortment of temporary buildings have become permanent features, and the residential accommodation is extremely basic.

I support the proposal to address these issues and allow Thames Young Mariners to expand and improve their provision of outdoor learning to the local community.
