Comment: Thames Young Mariners has always been a fantastic resource but changing facilities, staff accommodation and all the buildings tatty. To offer this opportunity for kids development in London is a wonderful opportunity. My two started kayaking there around 7/8 years old and one of them is now in the GB squad. It all started at Thames Young Mariners. I 100% support this application - the staff deserve decent accommodation and believe anything that can be done to enrich this fantastic organisation and resource should be done.
