**Comment:** Our family have used the Thames Young Mariners site for 3 consecutive summer holidays - taking part in camping / activity weekends. Our sons also used the site for school residential trips from primary school. I also used the facilities 30 years ago when I was a secondary school student nearby.

The current facilities are rather tired and outdated, and so I fully support the proposals to demolish the existing facilities and develop something fit for the 21st century. Improvements to the accommodation and activity facilities would enable an even better visitor experience and I cannot see any downsides to the investment and improvements.
