Comments

Type of comment: Support the proposal

Comment: The Thames Young Mariners site is an amazing resource for the local community and beyond. As an open water swimmer I enjoy the lake and the changing facilities available. Sadly these facilities are deteriorating. I also see the courses offered to children and those interested in water and outdoor activities. This is an essential resource for the community it serves and in the current climate of stress and concern for people's mental health this is an invaluable asset in Richmond.

I fully support the proposal.
