Comment: My children have attended several courses at TYM. On every occasion they have thoroughly enjoyed themselves, learnt new skills, made good friends, increased their self-confidence and resilience and improved their well-being (physical & mental). The staff there have always been welcoming and knowledgeable. TYM is a fantastic resource for the community and any improvements to the site, especially those that future-proof the centre, increase the number of activities available and provide more jobs and training, are to be welcomed, embraced and championed.
