**Comment:** To start i am very supportive of the school opening, as i believe this will be great for the area and education side. I how ever do not agree with the entrance of whitton dene being reopened. Whitton dene traffic has become worst over the last 14 years that i have been here. Like others have said i also believe that this will also encourage parents parking illegally and making it difficult for residents to aces their homes, and also making it dangerous for pedestrians and any other children making their way home from surrounding schools.

I also do believe as well that this will have an impact of the arras housing value and any effect that some of the building work will have toward nature.

Please take this in to consideration and be repsectful of fellow residents.
