### Comments

**Type of comment:** Make a general observation

**Comment:** I believe the reopening of the entrance in Whitton Dene will be EXTREMELY DANGEROUS. Cars fly round from the mini roundabout and it is a narrow road with parked cars and the H22 bus route. There are often knocks and scapes further along outside the shop. Unless you have plans to change the layout of the road this will not work at all. I suggest you spend 2 hours watching from 8am to 10am to see for yourselves - or ask the bus drivers!
