Comment: We have used the facilities at TYM's for many years and would like to support the on-site development. The area is an excellent resource to have in the local area and has helped us deliver many of our PE / D of E and extra curricular programmes to numerous students. The sessions are always engaging and instructors are invariably supportive, tolerant and adaptable to the needs of the students that we bring. Hopefully this will enable future groups to experience all that TYMs has offer for years to come.
