Comment: This is a fantastic facility which has been used by local organisations, schools and colleges and residents for many years. The facilities are 'tired' and old. Its time for these facilities to be bought into the 21st century! SOLD does such fantastic work which changes the lives of children, young people, vulnerable adults and families bringing about powerful personal and social changes, fantastic health benefits and wellbeing outcomes for its users. Now more than ever, it is important to offer the services that Thames Young Mariners (SOLD) provides to its users with its range of valuable outcomes. However, the current buildings are dilapidated in places and not fit for purpose. The plans for TYM will provide a revamp of much needed quality facilities, designed carefully to ensure the facility fits with the surrounding environment and with sustainability in mind; to provide children, young people, vulnerable adults and residents a much needed quality service and facilities for many years to come.
