### Comments

**Type of comment:** Object to the proposal

**Comment:** I am objecting to this planning application. There is no increase in infrastructure to support an application of this size in Mortlake - additional doctors surgery, dentists etc. The public transport in the area is already insufficient with a poor train service and lack of buses. The traffic in Mortlake / East Sheen is awful already due to Hammersmith bridge remaining closed, the discrimination against residents in East Sheen by closing Sheen Gate of Richmond Park to traffic and a woeful single lane South circular (as compared to the North circular which is a ring road) and this application will worsen the traffic situation especially with parents dropping their children off at school. The % of affordable housing is pitiful.
