Type of comment: Object to the proposal

Comment: I am objecting to this planning application. This application will just result in additional traffic in Mortlake / East Sheen worsening our air quality, increasing pollution and traffic jams. The public transport in the area is already insufficient with a poor train service and lack of buses. The traffic in Mortlake / East Sheen is awful already due to Hammersmith bridge remaining closed and this application will worsen the traffic situation especially with parents dropping their children off at school.
