### Comments

**Type of comment:** Object to the proposal

**Comment:** The birth rate has fallen considerably and many of the local primary schools are now undersubscribed. A new secondary school in the area is therefore not required. Additionally, since the closure of Hammersmith Bridge, the traffic congestion in the area is substantial. Bringing additional traffic to the area will be detrimental to all local residents both in terms of pollution and vehicular access. I would be worried in particular about the difficulties in emergency access to the site as the Lower Richmond Road is frequently close to gridlocked.
