### Comments

**Type of comment:** Object to the proposal

**Comment:** This needless high rise monstrosity will rival Vauxhall and Wandsworth in its concrete jungle appearance which is not what is wanted or needed on this quiet, beautiful stretch of the river. No thought has been given to locals who will be strangled by traffic jams, pollution and a general upheaval to this village community. The scheme needs rethinking with some creative, sensible brains involved and not greedy planners piling them high and not selling them cheap.
