Comment: I object most strongly to a secondary school, as there is no justifiable need for it. Re-locating the Primary school from the unsafe location at Mortlake rail crossing - would get my full support. There is a significant risk to the whole area of an unwanted, not needed Secondary school as: there remains no justification for the need of the proposed new secondary school. Data produced almost 10 years ago to support this is now invalid. Since then, we have experienced families moving out of London, drop in population statistics and this is already feeding through to reductions in primary school place needs.
