Type of comment: Object to the proposal

Comment: There are a few elements of this proposal that I object to:

1. Cinema. No cinema - enough already in the area of Richmond & Barnes.
2. School. No school, it is my understanding that there are enough in the area.
3. The playing field should be left as it is, it is used by the local community. Too many green spaces are now being taken to accommodate other uses.
4. Congestion in the area will now need to be addressed and a possible solution sought for Chalker's Corner.
