Comment: We are accepting of a school but we note the following:

1. There appears to be no need for an additional secondary school in the area. Various local Principals have confirmed that additional capacity is NOT required and projections for population growth indicate no additional need in the foreseeable future.
2. The school will bring significant additional traffic through Chalkers' Corner and Sheen Lane which are already congested.
3. Our understanding is that the secondary school is part of a 'deal' by the Counsel with another London Borough to honour an obligation to a schools 'trust'. Surely the Counsel should be more honourable and focus on the local need (which is for a primary school with an attached playing field) and NOT the financial incentive offered by the 'deal'.
