Comment: We would prefer to see the sports field retained. There is no agreement locally that an additional school is required in the area. Surely the priority should be to re-site the Thomson House School to a more appropriate location first.

Furthermore the local roads are congested enough with existing traffic. Adding a large school in addition to a huge development of flats is going to make it considerably worse.

The local transport is not sufficient to cope with a hugely increased local population in addition to a large new school.
