Comment: I am in favour of this development. East Sheen is a fantastic area, and while the brewery represents historic value to the area, it no longer provides value in its current form. But this development can change this. Right now the brewery is not being used. Falling into disrepair and quite frankly looks run down. The development gives a whole revamp to the area, and provides a young generation (such as myself) the opportunity to stay in the area and buy something new. I believe this development will truly transform East Sheen for the better. I want to buy my own home/apartment in this area...this development will give me and others an opportunity to become homeowners.
