1. Introduction

The Town and Country Planning (General Permitted Development) Order 2015 (as amended) applies to all land in England and Wales, other than land which is the subject of a special development order, and specifies various classes of development which may be undertaken without the permission of the local planning authority. Such development, referred to as "permitted development", is deemed to have planning permission by the Order, and does not require an application for planning permission to be submitted to the Council.

The applicant has submitted an application for a Certificate of Lawful Development (Proposed). In assessing this application, the Council is making a determination of law as to whether or not the proposed development complies with the Town and Country Planning (General Permitted Development) Order 2015 (as amended). Issues such as the policies contained in the Council's adopted Richmond Local Plan (2018) are not to be taken into consideration as the decision is based on fact and not on policy grounds.

2. DESCRIPTION OF THE SITE AND ITS SURROUNDINGS

The subject site comprises a two-storey semi-detached dwelling with western frontage to vicarage road which is situated in Teddington.

The application site is situated within Teddington Village and is designated as:

3. DESCRIPTION OF THE PROPOSAL AND ANY RELEVANT PLANNING HISTORY

The application proposes the construction of new dormer to rear outrigger, replacement doors and windows to rear elevation and new pitched roof window.

Volume calculation: (if applicable)

Proposed rear dormer roof extension

$$2.6 \times 3.4 \times 3.6 / 2 = 15.9 \text{ m}^3$$

Additional volume from existing dormer

$$2.53 \times 3.70 \times 5 / 2 = 23.4 \text{ m}^3$$

Total: 39.3 m³

The scheme seeks confirmation in the form of a lawful development certificate that the construction of the development described above would constitute permitted development.

The comprehensive list of planning history can be found above however the most relevant planning history is as follows:
