

## Comment on a planning application

### Application Details

**Application:** 21/3107/FUL

**Address:** Barnes Hospital South Worple Way East Sheen London SW14 8SU

**Proposal:** Demolition of existing structures and redevelopment of site including construction of three new buildings comprising 106 residential units of mixed tenure (Use Class C3), alterations and conversion of two existing buildings for 3 residential use (Use Class C3), car and cycle parking, landscaping and associated works

### Comments Made By

**Name:** Mrs. Helen Pearce

**Address:** 37 North Worple Way Mortlake London SW14 8QA

### Comments

**Type of comment:** Object to the proposal

**Comment:** I regularly walk to work along South Worple Way. The pavement is narrow and at peak times, I regularly have to step off the pavement to avoid oncoming pedestrians. South Worple Way is a narrow road and cannot support two cars passing each other. The cars then have to mount the pavement to pass, a danger to pedestrians. This situation cannot possibly sustain the additional traffic both pedestrian, cycles and cars that 108 residential units, a health care centre and a special needs school will create. I therefore object to this proposal as the transport infrastructure cannot support this essentially land locked site. The only access is via South Worple Way, narrow at one end and with a level crossing at the other.
