Comment: I live on the corner (2A South Worples Way/ The Retreat) next to the railway crossing. The road is not wide enough for 2 way traffic to drive to and from White Hart Lane outside of my house. The cars/ delivery vans/ lorries, pull over onto the narrow pavement or reverse into The Retreat to pass each other. The volume of traffic passing each other 8am - 9.30am and 4pm - 6.30. on week days is very heavy. Honking horns and verbal abuse from drivers trying to pass each other is common.

I would like to know what plans you have for South Worples Way when the traffic from over 100 housing units and a school pass my house?

Hoping for a reply
