

APPLICATION REF:

21/0847/FUL

**The One O Clock Club Marble Hill Park Richmond Road Twickenham TW1
2NL**

REASON FOR TAKING NO FURTHER ACTION ON APPLICATION:

In June 2022 the applicant requested a deferral of the decision to autumn 2022. It was agreed the application would be held in abeyance until such a time that the 3 charities involved in the application reach agreement on the proposals.

Enquiries were made on behalf of the charities in Autumn 2022 (Sept) regarding the expiry dates on existing supporting reports/ statements. Officers noted agreement between the charities should be reached prior to determination and discussed the acceptability of securing details of landscaping by way of condition.

The case officer sought update regarding discussions in Nov and Dec 2022, and it was anticipated a way forward would be agreed early Jan 2023. Regrettably progress was not made and a meeting of Feb was to be arranged, however parties were unable to schedule a meeting with representatives of the charities in February nor March.

Regrettably, on the basis that it has not been possible for the applicants to provide officers with confirmation of how they wish to proceed, it is recommended the application be closed and no further action on the case be taken.

Applicants are advised to submit a further application in the future should circumstances change.
