Description of Proposal
Does the proposal consist of, or include, the carrying out of building or other operations?
✓ Yes○ No
If Yes, please give detailed description of all such operations (includes the need to describe any proposal to alter or create a new access, layout any new street, construct any associated hard-standings, means of enclosure or means of draining the land/buildings) and indicate on your plans (in the
case of a proposed building the plan should indicate the precise siting and exact dimensions)
Loft conversion with L-shaped dormer and the installation of two rooflights on the front roof slope.
Does the proposal consist of an include a change of use of the land or building(s)?
Does the proposal consist of, or include, a change of use of the land or building(s)? O Yes
⊗ No
Has the proposal been started?
○ Yes ⊙ No
Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

It is residential terraced dwelling house.

The proposed development is designed based on the permitted development requirements for the loft conversion and therefore it is lawful because:

- the proposed additional volume does not exceed the 40m3 volume allowance, it is 39.80m3
- the proposed roof lights at the front roof do not protrude more than 150mm from the roof plane
- the materials that will be used for this conversion will match the existing.
- the proposed L-shaped dormer has at least 200mm distance from the eaves of the original roof.
- no part of the roof extension will be higher than the highest part of the existing roof.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Permanent Temporary Why do you consider that a Lawful Development Certificate should be granted for this proposal? It is residential terraced dwelling house. The proposed development is designed based on the permitted development requirements for the loft conversion and therefore it is lawful because: - the proposed additional volume does not exceed the 40m3 volume allowance, it is 39.80m3 - the proposed roof lights at the front roof do not protrude more than 150mm from the roof plane - the materials that will be used for this conversion will match the existing. - the proposed L-shaped dormer has at least 200mm distance from the eaves of the original roof. - no part of the roof extension will be higher than the highest part of the existing roof. Site information Please note: This question is specific to applications within the Greater London area. The Mayor can request relevant information about spatial planning in Greater London under Section 346 of the Greater London Authority Act 1999. View more information on the collection of this additional data and assistance with providing an accurate response. Title number(s)	2. Dwellinghouses	
hat should not be used in most cases. Also, the list does not include the newly introduced Use Classes E and F1-2. To provide details in relationese or any 'Sui Generia' use, select 'Other' and specify the use where prompted. See help for more details on Use Classes. 	(c) related to a member of staff
	(d) related to an elected member
	It is an important principle of decision-making that the process is open and transparent.
	For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
