Type of comment: Object to the proposal

Comment: There are currently 17 car park spaces provided ; this proposal provides for 6 Car park spaces of which 3 are to be provided for Disabled Persons ; in directional terms I agree that we should reduce Car Park spaces if there are only 6 permits issued by the Council to the Residents ; I would ask that the Council reviews the impact on surrounding roads if only 6 spaces are provided unless occupancy is linked to no eligibility for vehicle ownership .
