### Comments

**Type of comment:** Object to the proposal

**Comment:** As per my previous comments and despite the amendments the development will have a huge impact on the traffic congestion in and around Hampton Hill. Access off the High St and from Holly Road is already a problem and this will compound the situation. This will also add to the general safety for people walking in the area with the increase in traffic. The amendments to the building will still mean that the proposal is completely out of line with the existing look and feel of the neighborhood.
