**Address:** 9 Windlesham Mews Hampton Hill Hampton TW12 1RU

### Comments

**Type of comment:** Make a general observation

**Comment:** Windmill Road already struggles with the current level of vehicle traffic, especially at peak times, with cars frequently mounting the kerb to pass each other in the area where the new road for this development will be created. Having the building so close to the existing road will only worsen that, and the regular movement of vehicles in and out of the site during the building phase could also cause chaos. Steps should be taken to better assess and remedy this situation and the existing problems with parking and passing on Windmill Road.
