### Comments

**Type of comment:** Object to the proposal

**Comment:** I believe the proposed 27 units with only 6 parking spaces will cause further issues with on-road parking on Cromwell Road. The parking already gets very busy with sometimes illegal parking around school drop-off and pick-up times due to Collis Primary School being nearby. The train station also doesn't help with the lack of parking. The minimal parking spaces compared to flats on the proposed application will cause further parking issues. There should be more parking spaces being built with this construction.
