Address: Flat 6 2 Cromwell Road Teddington TW11 9FD

Comments

Type of comment: Object to the proposal

Comment: The development needs to have more than 6 car spaces for 27 flats. This will lead to significant parking problems on nearby roads. Transport links in Teddington are can often be unreliable on the weekend and residents should have the choice if they wish to have a car, for instance some of the incoming residents may need a car for work / getting to work or if they have mobility issues.
